FeedMore is Central Virginia's core hunger-relief organization dedicated to providing neighbors in need with healthy meals and hope for a better tomorrow. With a service area that stretches across 34 cities and counties, FeedMore helps the nearly 200,000 children, families and seniors in Central Virginia who struggle with hunger. Working to efficiently and effectively fight hunger, FeedMore's multi-tiered approach, comprehensive programs and network of more than 300 partner agencies are dedicated to providing neighbors who face hunger with one of the most basic necessities: nourishment. FeedMore serves...

- Local children who need a nutritional foundation to learn and grow.
- Central Virginia families struggling to make ends meet and provide for themselves.
- Senior and homebound neighbors who need nutritious meals and services for health and independence.

Only a life lived in the service to others is worth living.
