Bull Rotary Constitution Excerpt

The first object of Rotary is "the development of acquaintance as an opportunity for service". Accordingly, Rotary places strong emphasis on meeting attendance. A member must

(1) attend or make up at least **60 percent** of club regular meetings in each half of the year; and

(2) attend at least 30 percent of this club's regular meetings in each half of the year.

Rotary is non-political. The merits of any public question involving the general welfare of the community, the nation, and the world are of concern to the members and are proper subjects of fair and informed study and discussion at a club meeting. However, the club shall not express an opinion on any pending controversial public measure.

Rotary's Guiding principles

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST.** The development of acquaintance as an opportunity for service;
- **SECOND.** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Avenues of Service

Based on the Object of Rotary, the [Avenues of Service](#) are Rotary's philosophical cornerstone and the foundation on which club activity is based:

- **Club Service** focuses on strengthening fellowship and ensuring the effective functioning of the club.
- **Vocational Service** encourages Rotarians to serve others through their vocations and to practice high ethical standards.
- **Community Service** covers the projects and activities the club undertakes to improve life in its community.
- **International Service** encompasses actions taken to expand Rotary's humanitarian reach around the globe and to promote world understanding and peace.

The Four-Way Test

The test, which has been translated into more than 100 languages, asks the following questions: Of the things we think, say or do

Is it the TRUTH? Is it FAIR to all concerned? Will it build GOODWILL and BETTER FRIENDSHIPS? Will it be BENEFICIAL to all concerned?

Mission

- The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

Diversity and Rotary

- Rotary International recognizes the value of diversity within individual clubs. A club that reflects its community with regard to professional and business classification, gender, age, religion, and ethnicity is a club with the key to its future.

Joke

The Haircut

One day a florist went to a barber for a haircut.

After the cut, he asked about his bill, and the barber replied, 'I cannot accept money from you; I'm doing community service this week.' The florist was pleased and left the shop.

When the barber went to open his shop the next morning, there was a 'thank you' card and a dozen roses waiting for him at his door.

Later, a cop comes in for a haircut, and when he tries to pay his bill, the barber again replied, 'I cannot accept money from you; I'm doing community service this week.' The cop was happy and left the shop.

The next morning when the barber went to open up, there was a 'thank you' card and a dozen donuts waiting for him at his door.

Then a Congressman came in for a haircut, and when he went to pay his bill, the barber again replied, 'I cannot accept money from you. I'm doing community service this week.' The Congressman was very happy and left the shop.

The next morning, when the barber went to open up, there were a dozen Congressmen lined up waiting for a free haircut.

And that, my friends, illustrates the fundamental difference between the citizens of our country and the politicians who run it.
