**RI President-elect
Ray Klinginsmith
introduces the theme for 2010-11**

RIPE Ray Klinginsmith stated, "The words I have selected to describe Rotary's current mission and to highlight our achievements are what we do best: **Building Communities — Bridging Continents.**

I hope you agree that these four words aptly reflect who we are and what we do as Rotarians. We are a unique and a premier organization, certainly one of the best in the world. We build the spirit and resources of our local communities in an important way, which was beautifully summarized by the governor of my district last year, Elizabeth Usovicz, who said, 'When a positive spirit comes alive in our clubs, we inspire our communities. And when our communities are inspired by our service and presence, we inspire new members. It's a powerful cycle.' RIPE Ray continued, "She was right when she said that we inspire both our clubs and our communities when we truly capture the spirit of Rotary service."

RI President-elect Ray Klinginsmith addresses district governors-elect at the 2010 International Assembly.

Emphases

On the top of RI President-elect Ray Klinginsmith's "to-do" list is **Polio eradication and outreach to youth and young adults**. Also featured are the Future Vision Plan's six areas of focus:

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development

"What are we the best in the world at doing? RIPE Ray says, "Clearly, it is utilizing the Rotary network of more than 33,000 clubs in over 200 countries and geographical areas to advance international understanding, goodwill, and peace through a wide variety of programs".

Joke

Husband Down

A husband and wife are shopping in their local Wall-Mart. The husband picks up a case of Budweiser and puts it in their cart.

'What do you think you're doing?' asks the wife.

'They're on sale, only \$10 for 24 cans,' he replies.

'Put them back, we can't afford them,' demands the wife, and so they carry on shopping.

A few aisles further on along the woman picks up a \$20 jar of face cream and puts it in the basket.

'What do you think you're doing?' asks the husband.

'Its my face cream. It makes me look beautiful,' replies the wife.

Her husband retorts: 'So does 24 cans of Budweiser and it's half the price.'

On the PA system: 'Cleanup on aisle 25, we have a husband down.'
