RI District 7610 Breaks Two All-Time District Record

District 7610 broke district records for highest per capita and highest Annual Programs Fund (APF) giving in a single year. Through your generous support of the good work of our Rotary Foundation, we will be the first district ever in Zone 33 to give \$200 per capita in a single Rotary Year, which we can achieve by giving \$438,000 this year. Among the 34,000 Rotarians in our Zone, this has never been done before. When we achieve this milestone, it will likely place our district among the TOP TEN DISTRICTS in the world for per capita giving.

In anticipation of the FIFA World Cup in June, Rotary clubs across Africa are gearing up for the final push to eradicate polio on the continent. The Kick Polio Out of Africa campaign launched 23 February with the symbolic kicking of a soccer ball signed by Nobel Peace Prize laureate **Desmond Tutu**, a polio survivor. Primary sponsor of the campaign is DHL Express. The ball's journey began in Cape Town, South Africa, one of the host cities for the 2010 World Cup, and affected, en route to will continue through 22 countries. The ball will arrive at the RI in Montréal, Québec, Canada, in June. During the ball's four-month trip, Rotary clubs in polio-affected countries are organizing soccer-related polio awareness events to generate support for polio immunization. Each national PolioPlus committee chair will also sign the ball.

Only unified efforts which galvanize whole societies towards these goals will succeed in kicking this virus, that looks so much like a football, out of Africa, and eventually, out of the world..

Joke

This new boss is determined to rid the company of all slackers.

On a tour of the facilities, the CEO notices a guy leaning on a wall. The room is full of workers and he thinks this is his chance to show everyone he means business!

The CEO walks up to the guy and asks - "and how much money do you make a week?" Undaunted, the young fellow looks at him and replies,

"I make \$200.00 a week. Why?"

The CEO then hands the guy \$200 in cash and screams - "here's a week's pay, now GET OUT and don't come back!"

Feeling pretty good about his first firing, the CEO looks around the room and asks - "does anyone want to tell me what that slacker did here?"

With a sheepish grin, one of the other workers mutters - "He's the pizza delivery guy."
