February is World Understanding Month

Happy Birthday Rotary!!

Today is the 105th Birthday of Rotary. Rotary International was founded on February 23, 1905 in Chicago, Illinois USA, and is the world's first and one of the largest non-profit service organizations. During the first Rotary club meeting on 23 February 1905 in Chicago, Paul Harris, Gustavus Loehr, Hiram Shorey, and Silvester Schiele met to talk about their personal experiences. Harris then unfolded his general plan for their club meetings.

Herbert Taylor with The Four-Way Test

Is it the truth?

By Paul Engleman Rotary International News

It is a story so familiar to most Rotarians that it has evolved beyond lore and become assimilated into the genetic code of the organization.

In 1932, Herbert J. Taylor, the newly appointed president of a nearly bankrupt Chicago cookware company, believing his employees were in need of an "ethical yardstick," wrote four questions on a small, white piece of paper:

Is it the TRUTH? Is it FAIR to all concerned? Will it build GOODWILL and BETTER FRIENDSHIPS? Will it be BENEFICIAL to all concerned?

When Taylor penned what came to be known as The Four-Way Test, the country was in the grip of the Great Depression, and there was widespread distrust of banks and corporations after the stock market crash three years earlier.

At the Club Aluminum Products Company, a new and expensive type of cookware was being sold with rapidly declining success by door-to-door salesmen using high-pressure tactics.

Although Taylor instituted additional measures, such as establishing distribution channels through retail stores and offering free trials and affordable payment plans, he came to believe that applying his test to Club's advertising and sales methods was the key factor that led to the company's remarkable return to profitability.

Joke

Lotus Touts

- ONE. Give people more than they expect and do it cheerfully.
- TWO. Marry a man/woman you love to talk to. As you get older, their conversational skills will be as important as any other.
- THREE. Don't believe all you hear, spend all you have or sleep all you want.
- FOUR. When you say, 'I love you,' mean it.
- FIVE. When you say, 'I'm sorry,' look the person in the eye.
- SIX. Be engaged at least six months before you get married.
- SEVEN. Believe in love at first sight.
- EIGHT. Never laugh at anyone's dreams. People who don't have dreams don't have much.
- NINE. Love deeply and passionately. You might get hurt but it's the only way to live life completely.
