Local Interactors to attend International RYLA Camp

District RYLA Camp Chairman Dan Radtke was recently

informed by Rotary International that the two District

7610 nominees to the RYLA International Convention

being held in Montreal Canada from June 17 to 20, 2010 has been accepted. This is the first

time District 7610 has sponsored students to attend the RYLA Convention and is a benefit

provided by District 7610 RYLA Camp which pays their tuition. Michelle Best of Louisa

and Bradley Palmquist of Bumpass attended the District RYLA Camp at Prince William

Forest Park in Sept 2009. Both Michelle and Bradley attend Louisa County High School

and are members their Interact Club which is sponsored by the Rotary Club of Louisa.

Michelle is the current President of the LCHS Interact Club and Bradley is the current

Secretary. RYLA International immediately precedes the Rotary International Convention

each year and this year is being held in Montreal Canada. It is designed for ages 18-30 to

learn advanced leadership techniques common to the RYLA program through guest speakers,

training sessions and group discussions as well as meeting exceptional youth from across the

world. It is quite honor for participants to be selected to represent their local rotary districts

at the international gathering and upon returning, many International RYLA participants

further their relationships with Rotary, giving presentations on their experiences or getting

involved in other Rotary youth programs, such as Rotaract.
