Rotary: Making a Difference

Since I had technical difficulties last week and you weren't able to hear RI President Ian Riseley's speech on the Rotary theme, I thought that I would provide the excerpt here...

(The following is an excerpt from a speech RI President Ian Riseley made to the 2017-18 District Governors at the International Assembly on January 16, 2017.)

"...that was the moment I came to realize the power of Rotary that we all experience, every single day: the power to make a difference for those who need us. Making a difference is an expression you hear all the *(Continued on page 2)*

Volunteers Needed!

- Volunteer Greeters are needed! You just need to arrive at noon to do the greeting. Contact Aida Tannous, if you can serve as a Greeter. Or, sign-up for a shift at any meeting.
- Volunteers are also needed to serve as alternate Sergeants-at-Arms! If you are able to come to Rotary early (around 11:45) to help with set-up for the meeting and to serve as Sergeant-at-Arms during the meeting, WE NEED YOU! See

our current Sergeant-at-Arms, Trevor Waling, or contact any board member to volunteer your services.

time about Rotary, the opportunities that we have and the things that we do. And that is why we are all here, at this assembly. To make a difference: to our world, to our communities, and in the lives of others. And in 2017-18, that will not only be our goal, but our theme — Rotary: Making a Difference. What kind of a difference each club and each Rotarian chooses to make will always be their own decision. But we are united in our organization and its common principles: our insistence on ethics and our commitment to Service Above Self. As an individual, what could I have done, what could any of us have done, to help those IAN children from Chernobyl? We wouldn't even have known where to start. But through Rotary, even in my small club in Sandringham, we were able to make a real difference.

In Rotary, we know that we can do more together than we could ever hope to do alone. It is the principle on which our service is based, and it is true at every level of Rotary....Let me emphasize again that the year ahead of us all is not just our year of leadership. Our job is to make it Rotary's year to shine. It is the year all of us have committed to dedicate to service through Rotary. It is Rotary making a difference by building stronger and more active clubs that serve in better and more lasting ways. It is believing in a Rotary that is recognized for the good work it does — a Rotary that will continue to grow, to endure, to go from strength to strength — making a difference to our communities, our countries, and our world. That is what we will achieve together next year. **Rotary: Making a Difference.**
