Thank You, Sean!

The Rotary Club of Fairfax received several citations at the District’s recent awards banquet and installation of new District Governor! This is due in NO SMALL PART to the leadership of Club President, Sean O’Connell! We could not have done it without his leadership and vision. In fact, he was recognized at the awards ceremony for utilizing the new Rotary Club Central. We are one of the few clubs in the district that took the time to set goals and to enter them into this new tool to help Rotary clubs succeed!! Here’s a run-down of our club awards during the 2013-14 Rotary year...

- Meritorious Award in three areas - Community, International, and Public Image.
- The Fairfax HS Interact Club received an RI Presidential Citation (signed by Pres. Ron Burton).

Be Proud, Rotary Club of Fairfax! These are YOUR awards, too!

An “Enlightening” Message from the new Rotary International President...

RI President Gary C.K. Huang chose *Light Up Rotary* as his theme for 2014-15. Huang was inspired by the teachings of Chinese philosopher Confucius who said: "It is better to light a single candle, than to sit and curse the darkness."

"There are so many problems in the world, so many people who need help. Many people say, 'There's nothing I can do.' So they sit there doing nothing. Meanwhile everything stays dark. The Rotary way is the Confucius way. The Rotary way is to light a candle. I light one, you light one, 1.2 million Rotarians light one. Together, we light up the world," said Huang, who is a member of the Rotary Club of Taipei in Taiwan.

"How you *Light Up Rotary* is up to you," Huang said. "You know where you are strong, you know what your community needs, and you know how you can help."

Huang's membership development goals include the need for more women and young adults and to increase membership to a total of 1.3 million members. "We need to assume leadership for building strong clubs, and that starts with bringing in new members," he urges all Rotarians.

Addressing the status of the fight against polio, Huang noted that with the current momentum Rotary is on track to achieve full polio eradication by 2018.

"When we eradicate polio — and we will — we will have proved ourselves an organization capable of great things. And we'll be even better equipped for the next challenge we choose to take on. We'll have given the world a gift that will endure forever," he said.

"*Light Up Rotary* is our theme, but it is more than our theme. It is how we live in Rotary, how we think in Rotary, how we feel, how we work," Huang said. "It is how we make a difference — every day, in every club, every district, and every country where we serve."
