The Four Way Test.

When in Doubt...

Pull It Out!

Of the things we think, say or do:

- 1.) Is it the **truth**?
- 2.) Is it **fair** to all concerned?
- 3.) Will it build **goodwill** and **better friendships**?
- 4.) Will it be **beneficial** to all concerned?

Rotary is what you make it— Get involved today!

Rotary 101—Back to the Basics

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Avenues of Service

For years, Rotary's commitment to Service Above Self has been channeled through the Avenues of Service, which form the foundation of club activity.

Club Service focuses on strengthening fellowship and ensuring the effective functioning of the club. Learn about effective club service in Membership and Training.

Vocational Service encourages Rotarians to serve others through their vocations and to practice high ethical standards. Observed each October, Vocational Service Month spotlights Rotary club projects related to this avenue, offering opportunity for clubs and districts to use their professional skills in service projects.

Community Service covers the projects and activities the club undertakes to improve life in its community.

International Service encompasses actions taken to expand Rotary's humanitarian reach around the globe and to promote world understanding and peace. Rotarians can support International Service by sponsoring a project in another country, seeking international project partners to support projects in their own communities, or by personally volunteering at an international project site.

New Generations Service recognizes the positive change implemented by youth and young adults through leadership development activities as RYLA, Rotaract and Interact, service projects, and creating international understanding with Rotary Youth Exchange.
