The Rotary Club of Lake Ridge

Service Above Self

Our club's mission is to positively impact those in need through meaningful contributions to the community, and the world.

Our goal is to alleviate the destructive effects, and prevent homelessness by partnering with local and international groups and leveraging the skills and business acumen of our over 30 Lake Ridge residents joined together in a mission of service.

Organizations We Support: American Red Cross, Prince William Chapter Boy Scouts of America, Occoquan District, Action in the Community through Services (ACTS); Court Appointed Special Advocates for Children (CASA); Prince William County At Risk Youth Scholarships;

Services We Provide: Adopt a Highway / Road Cleanup; Fellowship House Picnics; Salvation Army Bell Ringing; Hilda Barg Homeless Volunteers; Food and Coat Drives

International Projects: Middle East Refugee Crisis; Shelterbox; Clean Water Initiatives; Rotary Foundation Projects; Polio Plus

The Celebrity Luncheon

The Rotary Club of Lake Ridge Virginia will be hosting its 19th annual Celebrity Luncheon on April 27th (which is also Administrative Professionals' Day) at the [Bistro L'Hermitage](#) in Occoquan to raise money for local and international service projects and charities.

The popular fundraiser features local elected officials and community leaders as waiters and waitresses...with a catch — while everyone can enjoy a sumptuous lunch from a nationally recognized French restaurant, if they desire to do so with silverware, a napkin, or a glass for their water, for example, they will have to “tip” their waiter or waitress a dollar in advance for each item. This is a light-hearted, and fun-filled way to raise additional funds in addition to a 50/50 drawing, and attractive raffle packages.

The event returns to the Bistro L'hermitage on Occoquan Road, a five star classic French restaurant, for the fifth year in a row, and we are grateful to the owners and staff for their participation.

Rotary International

We are 1.2 million neighbors, friends, and community leaders who come together to create positive, lasting change in our communities and around the world.

WHAT MAKES US DIFFERENT? Our differing occupations, cultures, and countries give us a unique perspective. Our shared passion for service helps us accomplish the remarkable.

Our distinct point of view and approach gives us unique advantages:

- We see differently: Our multidisciplinary perspective helps us see challenges in unique ways.
- We think differently: We apply leadership and expertise to social issues—and find unique solutions.
- We act responsibly: Our passion and perseverance create lasting change.
- We make a difference at home and around the world: Our members can be found in your community and across the globe.

HOW DO WE WORK? Our impact starts with our members—people who work tirelessly with their clubs to solve some of our communities' toughest challenges. Their efforts are supported by Rotary International, our member association, and The Rotary Foundation, which turns generous donations into grants that fund the work of our members and partners around the world. Rotary is led by our members—responsible leaders who help to carry forward our organization's mission and values in their elected roles.

HOW DID WE GET HERE? We've been making history and bringing our world closer together for over 100 years. Since forming in 1905, we've taken on some of the world's toughest challenges and helped a wide range of international and service organizations—from the UN to Easter Seals—get started.

HOW DO WE USE OUR FUNDS? Responsible leadership means more than just doing good work—it means making the most out of every donation we receive.

WHAT CAUSES DO WE SUPPORT? We have identified specific causes to target to maximize our local and global impact. At the same time, we understand that each community has its own unique needs and concerns. Through our network of resources and partners, we help clubs focus their service efforts in promoting peace, fighting disease, providing clean water, saving mothers and children, supporting education, and growing local economies.
