### **\*\*All suggested retail values are based on the following:**

- **Airfare:** Peak round-trip rates during premium travel season and participating cities are used for the 48 contiguous United States, Hawaii, Canada, Caribbean, Mexico, Central America, South America, Europe, Pacific (Asia, Australia, South Pacific Islands).
- **Hotels and Tours:** Hotel's published "Rack Rate" plus all applicable sales tax.
- **Packages:** Each component of a package is priced separately to determine the total suggested retail value.
  - All rates are based on the high season that the package is eligible for redemption.
  - The suggested value is just one part of the full written description for our packages. Suggested values are calculated this way because hotel and air costs can vary greatly throughout the year and from different departure cities. We recommend that starting bids for our trips be based on the non-profit price and not based on the suggested value.
- **Cruises:** Brochure rate for the cabin plus airfare add-ons offered by the cruise line in the brochure.
- **Ground Transportation:** Unless specifically stated otherwise, no ground transportation is included in any package. The winning bidders are required to secure and pay for ground transportation from airports to hotels, airports to cruise ships, hotels to include attractions or tours, etc.
