PRESIDENT POINTS..new from Dr. Jon

September 30, 2014

It is still possible to sign up for the Sandler Training on October 15. This is the District Polio fundraising event. Each attending Rotarian will get a Polio donation credit at Rotary International for the full price of admission. To make this event a success, District was asking for at least one member from each club. Over achieving RCSFC came up with three - Ben Willens, Manish Desai and Leah Crace. Thank you to all for representing us!!!

President Elect Training is October 25th - you go Wil!

The District Foundation Dinner Gala is Nov 2 at the Hotel at the Preserve, Anne Arundel Mills. This ought to be a snazzy night. If you want to go see me!

OKTOBERFEST A BLAST!!! Wear your shirt on Thursday -let's get a group picture!

September 30, 2014

It is history once more but what a great weekend for Oktoberfest! While everyone worked really hard there was a lot of fun, camaraderie, food and fellowship. Don't know yet how much money was raised. Kudos to Missy Baker and Steve Fennington who served as managers for our volunteers and token areas. Not even going to try to list everyone because I'll leave someone out but wear your shirts on Thursday and we'll celebrate our success!!!
