

PAST DISTRICT LEADERSHIP

At the 1915 Rotary Convention, it was decided to reclassify the nineteen regional Divisions then in existence as Districts and change the title of the officer in charge from Vice-President to District Governor. Coincidentally, this was also the year the first club in Western North Carolina was chartered, and marks the beginning of what has now become District 7670. The following is a list of District Governors who have served this region since 1915, including several who later went on to serve Rotary International.
