CHARLES TOWN ROTARY

Charles Town Rotary Club members volunteering this evening helping Kids Power Pacs. We love helping KPP! Kidz Power Pacs is a weekend, holiday break and summer feeding ministry for school aged children. KPP serves on average 900+ children / 39 schools in Berkeley and Jefferson Counties, West Virginia. Combined Ministries, has extended its “Kidz Power Pacs” (KPP) ministry into local schools in Berkeley and Jefferson Counties. Pictured left to right are Michael Thoma and Bruce Dillon!

The ministry is solely based on public sponsorship and does not source any of its food from local food banks.

Once a month, CCM and supporters from area churches, non-profits and volunteers of all ages gather at Eagle School Intermediate in Martinsburg, WV to pack “Kidz Power Pacs” with nutritious easy-open kid-friendly foods. When the packs are filled, volunteer delivery teams take them to the partner schools where they are distributed. Pictured at left are Tara Orndorff, Julia Yuhasz, Nancy Chapman, Jeanie Hamilton, Travis Ritchie, and Stacy Spivey

KEYSER ROTARY CLUB

MINERAL COUNTY STEM FESTIVAL

Margaret Miltenberger spoke to the Keyser Rotary Club.

The Mineral County STEM Network will host Science, Technology, Engineering and Mathematics (STEM) Festival for area students and parents March 24 from noon to 4 p.m. at Potomac State College of West Virginia University.

The festival is modeled after the USA Science and Engineering Festival and Expo held in Washington, D.C. with numerous hands-on activities.

Interested groups are always invited to submit proposals.

“The STEM Festival has become a known event for Mineral County and Potomac State College of WVU with families traveling from throughout the region to attend. The success is due in large part to the outstanding presenters who provide quality hands-on STEM learning experiences,” said Margaret Miltenberger, WVU Extension Service 4-H and family extension agent.

The mission of the festival is to re-invigorate the interest of youth in STEM activities and careers by presenting compelling, exciting, educational and entertaining science gatherings.

Business, industry and organizations are asked to provide hands-on STEM activities that stimulate interest and inspire the next generation of scientists and engineers. See link below for more information.

About 600 volunteers serve the community each fall when incoming freshman return to campus as well as another 300 alumnae and students who volunteer in the spring through the SERVE program. CHAMBERSBURG ROTARY CLUB

CHAMBERSBURG ROTARY SPONSORS PANCAKE-ING POLIO BREAKFAST

The Rotary Club of Chambersburg sponsored “Pancake-ing Polio...Changing Lives Around the World”. Over 100 community members enjoyed a hearty breakfast, including pancakes, sausage and fruit, in support of eradicating polio.

This first time event was a great success with 20 Rotarian volunteers, flipping pancakes, hosting, serving patrons and setting up and cleaning up, from 6:30AM-12 noon. Entertainment was provided by Rotarian, Jon Meyer on the guitar.

All profits, which totaled close to $1000, will be sent to the Rotary International Foundation, End Polio Now program.
STATE COLLEGE ROTARY CLUB

State College Rotary and Rotarian and IFSR member Lewis Lazarow presents recognitions to Eagle Scouts Ben Servey and Luke Sepich.

Rotarians of the Centre County Clubs are working together on a new project – the recognition of young men and women who have achieved Scouting's highest honors.

Club members who are also part of the International Fellowship of Scouting Rotarians (IFSR) are now attending local BSA Eagle Scout Courts of Honor and GSA Gold Award Ceremonies to recognize these outstanding young community members.

Established in 1991, IFSR is a worldwide organization made up of over 1000 Rotarians, Rotarian spouses, Interacters, and Rotaracters who also are or were active members and/or supporters of the Scouting movement. IFSR members work to foster opportunities for Rotary service promoting the continued growth and development of Scouting, and provide active encouragement and support for Scouting activities at all levels.

The relationship between Rotary International and Scouting is a lengthy one – in fact, this year, we celebrate the 100th anniversary of that relationship. It was 1918 when Rotary became the very first service club in America to adopt Scouting. Paul Harris and James E. West, the BSA's first Chief Scout Executive, were good friends. They traveled the country together establishing Boy Scout councils. As a result of a century of Rotarian support, countless young men and women across the nation are able to enjoy the benefits of Scouting.

Therefore it is the great honor of the IFSR members of the Rotary Clubs of Centre County to attend Eagle Scout and Gold Award ceremonies and offer recognition to these deserving Scouts who have devoted so much of their young lives to community service. The honored Scouts receive three special tokens. The first is a full-color personalized IFSR Certificate of Recognition in commemoration of their special achievement. The second is a 4-Way Test Challenge Coin, to always remind them of the strong commitment to ethics that brought them this success, and will continue to guide them in their future. Finally, in appreciation for the Scouts' dedication to Service, it is announced that the Clubs have made a donation in their names toward Polio Eradication – thus making them a part of our historic global effort forever.

The Rotary Clubs of Centre County are proud to have the opportunity to offer this recognition, and pleased to be able to demonstrate the values and service work of our organization to an appreciative, like-minded audience.

More information about IFSR is available on their website: http://scouters.us/ifsr/index_2.html

COUDERSPORT ROTARY CLUB

The Coudersport Rotary Club is making available a reading program to help improve English reading comprehension, grammar, vocabulary, and much more for area children. Children use the program at home, libraries, boys and girls clubs, churches, or any other place where children have a computer or tablet and internet access. The program is not licensed for in school use in the US yet but teachers/schools may promote the program. Coudersport Rotary Club would be responsible for any expenses which leaves it totally free for students, and their parents, in Grades K-6 to use this online learning program.

The Free Reading Program can assist in the development of new skills, reinforce literary knowledge, and motivate students to succeed. Children complete activities and attempt to get perfect scores. A lot of kids think the activities are games. In fact, they are educational grade learning activities.

ROTARY DISTRICT 7360 PEDALS OUT POLIO
Saturday, May 19, 2018 Hosted by area Rotary Clubs

Rotary District 7360 will be sponsoring two bike rides on May 19, 2018. The purpose of both rides is to raise funds and awareness for Rotary’s Global Polio Eradication Campaign. Both rides start and finish at Mifflinburg Community Park.

**Family Ride:** Bike riders are encouraged to ride a part or all of the Mifflinburg – Lewisburg Rail Trail. This 9 mile off-road bike trail is suitable for children and adults that prefer a flat and leisurely bike ride. This ride will be self-paced and self-guided. Ride as far as you want and at the speed you want.

**Jacks Mountain 50:** This 47 mile ride is for moderate to advanced road bike riders that enjoy changes in elevation. It is only 47 miles, but we are giving credit for 50. It is not a race! The 47 miles will be done at a moderate pace so that it is enjoyable for all experienced bike riders.

The suggested minimum donation per rider is $25 for adults and $5 for children under 12. All riders are encouraged to solicit addition donations toward their ride. The top 3 fundraisers will receive prizes. All donations are tax deductible and should be payable to “The Rotary Foundation” with PolioPlus on the memo line. Any gift of $1,000 or more will receive a special recognition from The Rotary Foundation.

**Not a bike rider?** Become a “virtual rider” by making a donation and supporting polio eradication.

**Schedule:**
Registration for both rides will be at the gazebo in Mifflinburg Community Park from 8 – 9 am. Recognition of the top fundraisers will be at 9 am just before both rides start. TheRusty Rail Brewing Company & Restaurant is located two blocks away along the Buffalo Valley Rail Trail. Participants are encouraged to go to the Rusty Rail following the ride for refreshments and fellowship.

Each rider/donor must have a separate registration form.
