## Rotary Club of Pinnacle Peak ☀

Chartered on March 13, 1996, the Rotary Club of Pinnacle Peak is a service organization whose focus is to support selected local community organizations and international projects. We are part of a regional organization, District 5510, of which there are three in Arizona, supporting 47 individual clubs like ours. Our organization, Rotary International, is the world's first service club. The first Rotary club was founded in Chicago, Illinois, USA on February 23, 1905.

The Rotary Club of Pinnacle Peak's main objective is service ..... in the community, in the workplace and throughout the world. We develop our own projects, as well as, support those of Rotary International. Through our involvement in Rotary, we reap the great personal satisfaction knowing that we have played a small part in making the world a better place.

## Object of Rotary ☀

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**First:** The development of acquaintance as an opportunity of service;

**Second:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**Third:** The application of the ideal of service in each Rotarian's personal, business and community life;

**Fourth:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
