*Rotary Club of
East Louisville Sunrise*

We meet weekly for breakfast to discuss timely issues, learn about each others' vocations and interests and hear about current topics from guest speakers. During the year, our speakers cover local, regional, national, and international opportunities and issues as well as those pertaining specifically to Rotary.

Rotary's motto is "Service Above Self" and our service to our local community changes as perceived needs arise and are met. Suggested service projects are presented to our board and implemented when feasible.

We have fun, and fellowship is an overriding goal while we are taking an active role in improving the community around us. We are small enough to know each other well, but large enough to have the resources to make a positive impact.

Visit with us at a weekly meeting to learn more about membership in the Rotary Club of East Louisville Sunrise. While you are here, make your acquaintance with Dell Tucker, one of the original founding members of our club on September 28, 1984.

We hope you will decide to make the time and financial commitments to join us in making a difference!
