WE ARE HERE!

After all the planning we are finally here! District Conference formally begins tomorrow! The conference committee has worked hard to bring you a conference that takes into account all your comments from previous conference surveys and are excited for you to come and enjoy the festivities.

Remember, Friday night is suit or blazer for the men and cocktail dress or sundress for the women. It will be a Foundation Birthday celebration like no other. 100 Years and counting...

The remainder of the conference is resort casual - be ready to join the conga lines, learn how to shake like a latin dance enthusiast, and get to know as many strangers as you possibly can. No stranger danger at Conference!

Be sure to attend the breakout sessions and go booth to booth to see all the work our clubs have done and the district team.

See you all tomorrow!

Hands On Project Reminder

Don't forget to bring your travel size items for our Saturday hands on project. We need as many items as possible. There will be bins at registration for you to drop your items. We have many locals in desperate need of these small items. Let's continue to impact the world in which we live as we also celebrate our year!

The Conference awaits your arrival!
