

Rotary Meeting: Monday, October 22, 2018

Shanna Singh Hughey, President ThinkTennessee

“Vote Strong, Tennessee”

As the state that ranks #49 in voter turnout and #45 in voter registration, Tennessee’s civic infrastructure needs an update. Shanna Hughey, President, ThinkTennessee will discuss the threats facing our elections, from voter confidence to foreign influence, and how states are fighting back. She will also demonstrate how public policy and community engagement - particularly from local businesses - can strengthen Tennessee’s civic future.

ThinkTennessee, a 501(c)(3) nonprofit organization, brings together leaders from throughout the state and from many sectors—business, academics, law, medicine, government—as well as from both sides of the political aisle.

RECRUITING NEW MEMBERS TO ROTARY CLUB OF NASHVILLE

Q: Why is recruitment important? Why do we need more members?

A: We need a continuous flow of new members to maintain our robust network of leaders and for fiscal stability. As a club, we average about 10% attrition, which means that we need nearly 60 new members each year to maintain our club size.

Q: What type of member does Rotary Club of Nashville want? What is the criteria?

A: Our goal is that our Club represents a cross-section of the community's owners, leaders, executives, managers and professionals - people who make decisions, influence and shape our community.

Q: Have someone in mind who would be a great Rotarian?

A: Invite the prospect to join you for lunch to determine their interest level and if they are a good fit for our Club. Please let the office know in advance so that a name tag can be prepared. If the prospective member is interested in submitting an application for consideration, send the name of the person you want to propose, along with their company, their title within the company and any other achievements to the Rotary Office at suzanne@nashvillerotary.org.
