

GIFT OF LIFE DONATION RECEIPT

The Rotary Club of Greenfield and the Rotary Club of Greenfield Sunrise, through the Rotary District 6560 World Community Service Foundation, support the Gift of Life program with the Greenfield area Rotary Gift of Life Auction.

**The Rotarians of Greenfield, Indiana
thank you for your generous gift to the Gift of Life Auction.**

Your gift gives a child a chance to grow up, to learn, to fall in love, to have children and grandchildren. It also builds a bridge of understanding and good will between people of different lands. The Rotary District 6560 Gift of Life program brings children to the U.S. for life saving surgery, as well as assists medical teams traveling to other countries to conduct surgeries and teach techniques. Your support means children will be able to obtain the surgery necessary to live—an opportunity unavailable in their own country.
