Membership in this unique Rotary club was conceived for (1) Former Rotaract and Interact members who wish to continue their Rotary journey, (2) Former Rotarians who left the organization due to financial reasons, job relocation or other life events, but want to come back to Rotary, (3) Current Rotarians who are considering terminating their membership due to life events, (4) Current Rotarians looking for a new Rotary club within the District to transfer to, and (5) People who are new to Rotary and want to get to know the clubs in the District before choosing one to transfer to.

Membership in the Puget Sound Rotary Passport Club is a privilege and an honor. The Puget Sound Rotary Passport Club holds its members to the highest of ethical standards. To become a member, a prospective member must be sponsored by a current member of the Puget Sound Rotary Passport Club or a current Rotarian in good standing in any of the other clubs of District 5030 and submit an application for membership. Once the board of the Puget Sound Rotary Passport Club has reviewed and approved the prospective member's application, the prospective member is presented to the current club membership for acceptance. Upon acceptance, completion of a dues payment agreement and payment of a new member fee, the prospective member will officially become a member of the Puget Sound Rotary Passport Club. An induction ceremony of new members will be held at each quarterly "in-person" meeting of the Puget Sound Rotary Passport Club.
